

**less cars,  
more winterwonderland!**

Dear \_\_\_\_\_,

**This Christmas, I give you a present that can spark hope. It also means some real steps towards a better future.**

**Less cars in Berlin mean more space for us people – and for wild life!**

**That is why I donated \_\_\_\_\_ € to Volksentscheid Berlin autofrei.**

**They promised to give their best and make this dream come true.**

**Yours,**
